Author of *Unveiling Grace:*
The Story of How We Found Our Way Out of the Mormon Church

Mormonism wraps itself in the cloak of Christianity, using and twisting Christian words. Mormon doctrine sounds terribly Christian, but it's not. The same religious words like grace, salvation, and atonement have different meanings for Christians and Mormons. --Lynn K. Wilder

- What is the appeal of the Mormon Church?
- So they keep you busy working for the church, and bury you with impossible standards to uphold?
- An amazing element of your story is the power of your marriage to Mike, your partnership throughout this whole story. How did you decide to stay on the same page whatever happened?
- You describe your family's journey as a great spiritual battle. Did you know it at the time, or is it only by looking back on it?
- What would you say are the main differences between Mormonism and Biblical Christianity?
- You saw your children go through some pretty horrible times with the church, with one of your sons being ex-communicated and a second accused of having the spirit of the Devil in him. As a mother, how did that affect you?
- What held you back from seeing the truth of the Biblical Jesus?
- But then what eventually opened your eyes to the truth?
- You say that you then had to "biggie-size" your God. What does that mean?
- And as a result, you've seen your entire family leave the Mormon Church and accept Christ?
- Tell us about the ministry you've started to reach out to those still trapped in Mormonism.
- What advice would you give to someone who has a family member or friend who is a Mormon?
